

IMPOX 70

SEMI-STAINLESS STEEL LIFTER

ELEGANT, STAINLESS STEEL EXPOSED PARTS

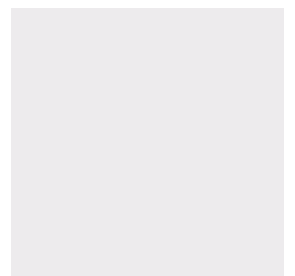

Impox 70 is a light and elegant lifter which is suitable for slightly more challenging environments which are subject to stricter hygiene requirements, for example the food industry.

The legs and handles are stainless steel (electropolished), the remote control unit for lifting/lowering is made of plastic, while the wheels on the lifter are anti-static/ESD and food-approved. Impox 70 lifts, moves and handles loads weighing up to 70 kg.

All tools for the Impox 70 are stainless steel. The three mast heights can be combined with two different sets of legs.
